## 3 VERULAM BUILDINGS

3 Verulam Buildings is one of the UK's principal sets of barristers' chambers, with over 90 members specialising across the full spectrum of commercial law. Members of 3VB advise and act in disputes both in the UK and worldwide. Our legal excellence and the quality of service provided to our clients are consistently praised in the leading legal directories.

3VB's policy is to offer pupillage only to those candidates with the potential to become tenants in chambers. 3VB recruits no more pupils than there are available spaces for new tenants. Each pupil is judged solely on his or her own merit.

3VB is committed to equality of opportunity and diversity in the workplace. We strive to ensure that the principle of fair, equal treatment is upheld in all areas of our business, including recruitment of pupils. 3VB have recently created, along with five other leading sets of chambers, the Mentoring for Underrepresented Groups Scheme, which aims to support and encourage individuals from groups which are underrepresented at the Bar of England and Wales (and in particular the commercial bar) to pursue careers as barristers.

## ACCUTRAINEE

Accutrainee has enjoyed steady growth since launching in 2012. We're proud of the work we do to help legal professionals grow and develop, partnering with them on their journey to becoming outstanding solicitors. Accutrainee offers paralegal opportunities, qualifying work experience, training contracts and positions for solicitors from newly qualified to up to around 4 years post qualification.

Our goal is to help you realise your dreams in the legal profession. Accutrainee has a unique model to help individuals reach qualification either through the traditional route (Training Contract) or through the new SQE route.

We employ paralegals and trainee solicitors and send them on secondments lasting between 6 to 24 months. Our clients include FTSE 100 organisations, consultancies and UK & US law firms. Few periods of recognised training ('qualifying work experience') offer such variety and breadth of experience, with training periods uniquely designed around the trainee. Trainees gain an in depth understanding of what it is like to work for a particular organisation and clients get the opportunity to see if our trainees are right for them. We monitor our trainees' development through a dedicated Mentoring Programme. All of our trainees to date have secured jobs after qualification with many having been offered more than one NQ position on qualification.

We continuously search for the best, most promising graduates whom we are confident will not just match our clients' requirements but will go on to represent some of the best solicitors in the profession. We welcome applications year round (we've done away with frustrating deadlines) from candidates at every stage of their journey.

We offer up to three fully-funded, 12 month pupillages every year. Each pupillage carries an award of £75,000. We award pupillages to candidates who we believe will thrive in the intellectually demanding and competitive world of the Commercial Bar. A Quadrant barrister possesses excellent analytical abilities; outstanding communication skills, both written and oral; the ability to perform under pressure and, perhaps most importantly, ambition and drive to succeed.
