

Getting Started Guide

CareerSet is a 24/7 online career platform that gives you personalised feedback on your CV. Powered by AI, the platform gives you actionable steps to optimise your CV and to tailor it to specific job opportunities.

It is designed to support you, before visiting a Career Adviser for further guidance if you feel you need it.

GETTING STARTED

Visit careerset.io/cambridge and click on 'student login' to setup your account.

Enter your University or alumni email address to receive a link in your inbox. (e.g. @cam.ac.uk or @cantab.ac.uk or your postdoc work address)

Clicking on this link will log you in for the duration of one session.

Accept the terms of use, privacy policy, and click on "upload your CV" to get started.

Getting Started Guide
